Vendors are in charge of their own advertising and sales tracking.

Payments for spots are not pro-rated.

Vendor Posting:

- ❖ You can post up to 4 times each week. Weeks start on Monday and ends on Sunday.
 - Only posts that were approved will be counted towards your weekly posts.
- ❖ Posts will not be reviewed for approval until the next day, so plan ahead if you have a sale for a particular day!
- ❖ You can not post until you've made your payment for the spot. So if the previous spot ended on 4/30/2023, then on 5/1/2023 you will not be able to post until you have paid to renew your spot.
- ❖ Sales posts must be relevant to the business seat you listed on your vendor application, and must be on your "Approved Products/Services" list that was in your acceptance email for your vendor spot. Any posts that are not deemed relevant will be rejected.
